

Academies and CTE Pathways

*Inspiring leadership...Igniting Passion
...Empowering Students...Engaging Partners*

Career Academies and Career Technical Education (CTE) Pathways

Career academies and CTE pathways are a core component of the [Regional Plan for College and Career Success](#) strategy to assure the Coachella Valley has a well-prepared and workforce-ready talent pipeline to help our students and economy thrive into the future. Data shows that Career Academy and Pathway students graduate high school and enroll in post-secondary at a higher rate than their peers.

Combined, all three K-12 school districts host **30** career academies, **18** pathway programs, **11** AVID & **6** ROTC Programs, which served **7,758** high school students in 2019. **Click links below** to learn more!
